Dear Sir:

In response to the Office Action mailed October 31, 2001, Applicants respectfully submit the following amendments and comments in connection with the above-captioned application.  
IN THE SPECIFICATION:

Please amend the first full paragraph entitled "Priority Information," which begins at page 1, line 5, as follows:

This application is based on and claims priority to Japanese Patent Application No. Hei 11-277919, filed September 30, 1999.

IN THE CLAIMS:

Please cancel Claim 3 without prejudice or disclaimer and amend Claims 1, 2, and

4-19 as follows:

1. (Amended) A watercraft comprising an internal combustion engine and a hull defining a center plane extending generally vertically from bow to stern, the internal combustion engine comprising a cylinder body defining at least one cylinder bore, an axis of the cylinder bore slanting from the center plane, a piston reciprocating within the cylinder bore, a crankshaft, a
